A newsletter for members and supporters of North Coast Women's Sailing Association

From the Commodore

Beth Tyson

For those of you that were unable to attend our October meeting you missed a great presentation and chat by the crew of *Fever*, a women's crew that has successfully competed in our regattas and the Cleveland Sailing Association Friday night series for women. Many thanks to our own Connie Aguero for bringing her crew and coach!

Also at our meeting we opened the nominations for our 2006 Board. While I am pleased with our nominations I am concerned by the lack of participation of our membership at our monthly meetings outside of the summer sailing months. We had a bare 10% attendance at the October meeting – our membership total this year is close to 200. And, based on the trends of the last couple years, I anticipate that same 10% or less at our upcoming meetings. Your board works hard to plan interesting meetings and social events for you, the membership, and since these meetings interest so few members we would like to know what would draw you out! Should we stop having any meetings other than the board and just concentrate on the March, April, May pre-race season meetings? Please talk to anyone on the board and let us know what you want!

*Kathy Jankowski – NCWSA member since 2002
Social Chair NCWSA – 2004-2005
Landscape Architect - President of Knight & Stolar, Inc.*

I enjoyed working with NCWSA as Social Chair for the past two seasons and look forward to a new challenge. We have seen many changes in our organization as it continues grow and I hope to assist our board in continuing to improve opportunities and services for our members. It has been another great sailing season and I have had the opportunity to meet and talk with many of our NCWSA and EYC members. I do look forward to continued input from our group in the future so that we may improve our planning efforts.
